# WORKING AND SETTLING IN QUÉBEC: A WINNING COMBINATION!

Are you temporarily working in Québec and now wish to obtain permanent residency?

We need people like you, people with experience and skills who are interested in contributing to the growth of Québec society.

# THE PROGRAMME DE L'EXPÉRIENCE QUÉBÉCOISE

## QUÉBEC IS LOOKING FOR TALENT!

The Programme de l'expérience québécoise (PEQ - Québec experience program) allows you to easily and quickly obtain your Certificat de sélection du Québec (CSQ - Québec selection certificate).

## WITH THE PEQ:

- ◆ You get a head start in your new life in Québec;
- ◆ Your application receives accelerated processing, without an interview;
- ◆ You will receive your CSQ quickly.

# CONDITIONS TO BE MET

- 1 You are living in Québec as a temporary foreign worker or in the context of a youth exchange program (e.g., Working Holiday, Young Professionals, International Co-op Internship ) and are fulfilling the conditions of your stay;
- 2 For at least 12 of the 24 months preceding your application, you worked full time in one or more skilled occupations at a managerial, professional or technical level, in Québec, and are still occupying such a position at the time of submission of your application;
- 3 You speak intermediate advanced French. You must demonstrate this one of the following ways:
  - ◆ you successfully completed at least three years of full-time study entirely in French in a secondary or post-secondary educational institution;

ET:

- ◆ you successfully completed an intermediate advanced French course in Québec given by an educational institution recognized by the Ministère de l'Éducation, de l'Enseignement supérieur et de la Recherche;
- ◆ you passed a French test or obtained a diploma in French recognized by the Ministère de l'Immigration, de la Diversité et de l'Inclusion, which demonstrates that you have an intermediate advanced level of oral French;
- ◆ you met the language requirements of a professional order in Québec.

# TESTIMONIALS

“Salary wise, we have a better standard of living than in France. However, what we prefer the most about Québec is certainly the possibility of getting home from work early enough to fully enjoy our family life.”

Nicolas and Audrey, engineering couple

“I enjoy working in Québec because of the very friendly professional relationships that I can establish within my work environment.”

Issam, computer specialist

“I decided to ask for my permanent residence simply because I wanted greater professional freedom.”

Xiaoshan, marketing manager
